

# NOTICE OF PUBLIC HEARING

The DC Public Service Commission will hold two Public Hearings to hear first-hand how District consumers are being affected as Verizon transitions from telephone service provided over copper wire to service provided using fiber optic technology.

These hearings are your opportunity to address your concerns and experiences directly to the Public Service Commission.

**Your Concerns Matter!**

**Inform the Commission about the experiences you've had with Verizon's copper to fiber transition and new service offerings!**

**Tuesday, November 5, 2014 @ 6 p.m.**
